ABOUT LATE MR. PREM KUMAR DUGGAL

Late Mr. Prem Kumar Duggal, Advocate was the leading inspirational force that encouraged the International Conference on Cyberlaw, Cybercrime & Cybersecurity. A brilliant and eloquent civil lawyer, his sharp mind was always open to new ideas.

He inspired the Conference Director Dr. Pavan Duggal to visualize an international platform and connected ecosystem, where stakeholders could come and discuss about the latest cutting edge developments in cyberspace on a regular basis.

Mr. Prem Kumar Duggal was the source of constant motivation in taking the International Conference on Cyberlaw, Cybercrime & Cybersecurity to the next level. His addresses at the conference every year were forceful, rousing, emphatic and stimulating, which acted as a source of constant encouragement for the conference.

ABOUT THE CONFERENCE

The 10th Edition of the International Conference on Cyberlaw, Cybercrime & Cybersecurity is taking place on 29th, 30th November & 1st December, 2023, being organized by Cyberlaws.Net and Pavan Duggal Associates, Advocates, Supreme Court of India.

It aims to examine and analyse the emerging Cyberlaw, Cybercrime & Cybersecurity trends of today's times. The International Conference will be attended by various international delegates and speakers as also representatives from the national Diaspora representing the stakeholders in the digital ecosystem and alive web. These would include representatives from the Central Government & State Governments, various Ministries, Law Enforcement Agencies, Police, Business, Information Technology, Corporate Sector, Academicians, Scholars, Service Providers, International Organizations and distinguished thought leaders.

The Conference 2023 is currently being supported by UNESCO, University For Peace of United Nations, Ministry of Electronics & Information Technology, Government of India, Department of Legal Affairs, Ministry of Law & Justice, Government of India, IEEE Technology & Engineering Management Society, Ecommerce Forum Africa, Globethics.Net, EC Medici Framework and Association of Indian Universities, amongst other 150+ international and

national organizations.

STRENGTHS OF THE CONFERENCE

- ✓ Enable International and Indian Policy Makers, Government officials, Corporate thought leaders, and other Stakeholders to keep pace with the emerging issues in Cyber ecosystem;
- ✓ Offers a three full day conference with Interactive sessions from different experts across the globe;
- ✓ Member participation will help in assessing the impact related to Cyber Law, Cyber Crime and Cybersecurity;
- ✓ Conference to be addressed by 300+ Speakers;
- ✓ A wonderful opportunity for networking with the best minds in the cyber ecosystem and being part of an unparalleled, holistic, multi-disciplinary discussions and debates on critical issues concerning Cyberspace today under one roof.

This is the 10th Edition of the International Conference on Cyberlaw, Cybercrime & Cybersecurity.
